

## Powernet PowerViewTV Service Agreement

This is an agreement (“Agreement”) for PowerViewTV (IPTV) Service and related services and/or features (Services”) between you and PNG Telecommunications, Inc. d/b/a Powernet (“Powernet”). This Agreement and any Service Orders explain the terms and conditions upon which we agree to provide you Service and products and you agree to accept these terms and conditions with the Service and products. If there is any conflict between this Agreement and a Service Order, this Agreement shall control. Services offered by Powernet to Customer for purchase are described in this Agreement and the Service Orders executed by both parties. The Services may consist of services provided directly by Powernet and also of services procured by Powernet from third party suppliers. The words “we”, “us”, “our” or “Powernet” refers to Powernet. The words “you”, “your”, or “Customer” refers to the person who is completing this Agreement. You represent that you have been authorized to accept this Agreement on behalf of your Company. We reserve the right to change these terms and conditions from time to time. Posting of the updated Service Agreement will constitute notice to you of any such changes. Changes will be effective upon posting. You remain responsible for regularly reviewing these terms and conditions. Your continued use of the Services after the date of such changes constitutes your acceptance of and agreement to such changes.

1. Description. Powernet’s PowerViewTV (IPTV) Service consists of: (i)an Internet Protocol television (IPTV) Service (“Services”) powered by Rodeo Internet, LLC Company to Customer as described in this Schedule and at the rates and terms set forth in this Schedule and Service Orders and Attachments. This service may be provided by a third party provider.

2. Term. The initial term is dependent on the package selected on the Service Orders and/ or its Attachments. The initial term for the Services chosen by Customer shall commence on the date that Powernet makes the Services available (“Effective Date”), or when Customer begins to utilize the service, whichever is first. Customer’s obligation to pay for all Services shall commence on the Effective Date. Upon the expiration of any initial or subsequent term, the term will automatically renew for succeeding terms of one month at Powernet’s then current rates unless a party provides thirty (30) days written notice of termination. Each Service Order placed under this Agreement shall have its own terms and this Agreement shall continue to govern the parties’ duties and rights with respect to such Service Orders until the expiration of its term or any succeeding term or unless the Service Order is terminated as permitted by this Agreement. You are purchasing the Service for the full term, meaning that if you attempt to disconnect Service prior to the end of the applicable term or Powernet terminates your Service due to your breach of this Agreement or any Service Order, you will be responsible for all charges relating to the then-current term, including unbilled charges, all installation costs, a disconnection fee, if applicable, and the monthly charges for all of the remaining months in the term, all of which will immediately become due and payable. If you cancel your service prior to the Effective Date, you will be responsible to pay a cancellation recovery fee, all installation costs and any disconnection fee, if applicable.

### 3. Ordering Service.

a. Service Schedules and Service Orders. All Services shall be ordered on Powernet’s standard Service Order forms in effect at the time of ordering. By submitting any Service Order, Customer represents and warrants that the information provided by Customer on the Service Order forms is complete, true, and accurate to the best of Customer’s knowledge and that the Service Order form contains no misleading statements or omissions. Powernet may accept or reject any Service Order submitted by Customer in its sole discretion.

b. Customer Changes to Service Orders. Any terms or conditions contained in a Service Order submitted by Customer that conflict with the terms and conditions in this Agreement are hereby objected to by Powernet and shall not constitute part of the agreement unless explicitly accepted by Powernet in writing. No action by Powernet (including, without limitation, provision of Services to Customer pursuant to such Service Order) shall be construed as binding or estopping Powernet with respect to such terms or conditions.

c. Provisioning of Service. Delivery dates are estimates only and are not of the essence. The start date of Customer subscription to the PowerViewTV service shall be the earlier of (i) the date of Customer activation of the PowerViewTV Service, and (ii) the date that is thirty (30) days after the date of shipment by Powernet of the equipment associated with the subscription. Billing will begin on the date Powernet makes the Service available to Customer (“Start of Service Date”). In no event will the untimely installation or non-operation of Customer-provided facilities, services or equipment relieve Customer of its obligation to pay charges for the Services as provided in this Agreement. Equipment is solely for the purposes of accessing and using the PowerViewTV Service during the subscription period purchased by Customer.

### 4. Charges and Rates.

a. Charges for Service. All charges and fees are stated on your Service Order and/or Attachments. The monthly charges for service do not include taxes or surcharges for governmental fees. Customer will be responsible for all applicable taxes and surcharges that arise in any jurisdiction.

b. Billing Period. Powernet will bill Customer for Monthly Recurring Charges in advance and for charges for installation and other non-recurring charges that Customer shall pay in advance of any Service being provisioned by Powernet. On the first billing for Monthly Recurring Charges, Powernet will prorate the billing from the Effective Date in addition to one month in advance.

c. Billing. For each billing period, Powernet will send to Customer via email a notice that Powernet has prepared Customer's invoice and that Customer may log on to Powernet's web based Customer Portal at <https://portal.pngcom.com> to view the invoice.

d. Payment. All invoices are due and payable in U.S. dollars within twenty (20) days of the date on which Powernet sends the email notifying Customer that Customer's invoice is available (the "Due Date"). Customer's payment must be received on or before the Due Date in order for it not to be considered late. Restrictive endorsements or statements on checks accepted by Powernet will not be binding upon Powernet. Customer shall pay a "Returned Check Fee" of thirty dollars (\$30.00) for any check returned for insufficient funds. If payment in full of undisputed amounts is not received on or before the Due Date, Customer will be considered to have breached this Agreement and Powernet shall have the right, after three (3) business days notice, to suspend or terminate Service and/or in Powernet's sole discretion, draw upon any security held by Powernet.

e. Late Payment. If Customer fails to remit payment in full by the Due Date, Powernet, in addition to other remedies available to it under this Agreement or at law, may charge Customer a late fee of the lesser of 1.5% per month or the maximum fee allowed by law of the unpaid balance which shall accrue from the Due Date of the invoice.

f. Service Appointment Charges. You shall be liable for payment of charges reasonably incurred by Powernet for a service appointment if the reason for the service appointment is not due to Powernet Service or Equipment. You shall also be liable for payment of charges reasonably incurred by Powernet including but not limited to: (i) charges due to your request to expedite Service availability to a date earlier than the date in a Service Order; (ii) charges due to your request to change an installation date to a date other than in a Service Order; (iii) changes to a Service Order after Powernet acceptance; (iv) expense incurred for Service redesign or modification; (v) reinstallation charges following any suspension of Service by Powernet; and (vi) disconnection charges.

g. Disconnection of Service. Powernet will only accept a valid written termination that must include, full name, phone number and billing account number.

h. Inactivity of Service. Powernet does not monitor Customer accounts for activity, and absence of activity will never constitute a termination request.

i. Installation and Non-recurring Charges. Installation and any non-recurring charges shall be specified in the Service Orders or Attachments. If Customer terminates the Service request prior to the Start of Service Date, Customer agrees to pay for all costs for pre-engineering, equipment and other installation efforts undertaken on behalf of Customer.

J. Installation. Unless otherwise requested by the Subscriber, the first available installation date will be provided. Any installation date provided to a Customer is only an estimate and is no way a guaranteed installation date. Customers understand and agree that there may be circumstances that delay a Customer's estimated installation date and any such delay will not be considered a breach of this Agreement by Powernet. Payment for Customer initial month's service (and if applicable: setup fees, installation fees, and equipment) must be received prior to Customer turn-on date. If Customer payment is not received by Powernet upon application for an account, Customer will NOT receive a turn-on date, and furthermore Customer will be responsible for the service fees even though Customer account and setup information has not been provided to Customer..

1.1. SELF-INSTALLATION. Powernet does not allow "self installation".

1.2. PROFESSIONAL INSTALLATION. Customers must use the Powernet's professional installation services.

1.3. SUBSCRIBER PREMISE EQUIPMENT. The STB will allow one television to use Customer connection. Multiple televisions require multiple STBs.

k. Other Charges. There is no money back guarantee for any Services unless specified in writing as part of a marketing promotion. There are no prorated refunds for unused time, including pre-paid plans, such as annual plans (i.e., if a Customer pre-pays for an entire year, no amount of that prepayment will be refunded, even if the service is canceled before the end of that year). Powernet invoices for all services in advance.

5. Credit and Assurance of Payment. Maintenance of acceptable credit and adequate assurance of payment, both as determined by Powernet in its discretion, are conditions for the commencement and continuation of provision of the Services by Powernet. By signing this Agreement, you permit Powernet to complete a credit check on you before the commencement of Services and during the term of this Agreement. If at any time Powernet, in its sole discretion, believes that Customer presents an undue risk of nonpayment, then Powernet may require a form of security for payment. Failure of Customer to provide a form of security requested by Powernet within two (2) business days of Powernet's request shall be a material breach of Customer's obligations under this Agreement and shall entitle Powernet to all remedies Powernet would have for nonpayment of an undisputed amount

due.

#### 6. Customer Warranties.

a. Customer Use of the Services. All use of the Service shall comply with Rodeo Internet, LLC published end user subscription agreement located at <http://www.rodeonetworks.com/aup>. Customer agrees to defend, indemnify and hold harmless Powernet, its affiliates, and contractors from any and all liabilities, costs and expense, including reasonable attorneys' fees, arising from or related to use of the Service by Customer or Customer's Users. Any violation of the AUP or conduct that Powernet, in its reasonable discretion, believes may subject Powernet to civil or criminal litigation or liability, charges and/or damages will be considered to be a breach of this Agreement and for which Powernet may suspend service as outlined in the DMSA. If Powernet suspends the Service pursuant to this Section, Powernet may require a reinstatement fee in order to resume Service. Customer shall use the Services for lawful purposes and to conduct business.

b. Customer Provided Equipment. Powernet is not responsible for the installation, operation, maintenance, compatibility or performance of any third party service, software or hardware. If such third party hardware or software impairs operation of the Service, Customer remains liable for payment of all charges for the Service. Powernet shall not be held responsible or liable for any defects or failure in Customer's Service, computer, software, files, data, and peripherals or any other equipment or connectivity arising from or caused by any equipment or service which is not a part of Powernet's network.

c. Breach of Customer Warranties. Any breach of any of Customer's warranties pursuant to this Section 6 of this Agreement will constitute a material breach of this Agreement and Powernet may suspend or terminate the Service immediately and without notice. If Customer breaches any of its warranties, Customer will be solely liable for and will indemnify, defend and hold Powernet and its respective officers, directors, employees, contractors and agent harmless from all claims, demands, costs, damages, losses, liabilities and expenses of any nature arising from such breach, including indirect, special, incidental, consequential, punitive or reliance damages and any costs including attorneys' fees associated with enforcing any of these provisions.

7. Customer Responsibilities. During any term and thereafter any CPE provided by Powernet for provision of the Service to be located at the Customer's premises will remain the property of Rodeo Internet, LLC. The Equipment belongs to Rodeo Internet, LLC, Customer may not sell, lease, abandon, or give away the Equipment; allow anyone other than Rodeo Internet, LLC or its agent, Powernet, to service the Equipment; or permit any other person to use the Equipment, other than on customer's behalf in connection with Customer use of the Rodeo Internet, LLC Service. Customer is directly responsible for the loss of the Equipment

a. Technical Support. It is the Customer's responsibility to initiate and be available for technical support during Powernet's hours of operation (24/7). If a Customer wishes to utilize Powernet's technical support, the Customer must be available to help troubleshoot the connection and television setup. Powernet does not provide on-site technical support unless Customer agrees to the site visit fees of \$150 per hour, portal-to-portal. However Powernet technicians may be dispatched to troubleshoot any circuits that are provided by Powernet, should they suspect Powernet network is malfunctioning and then Powernet will waive any site visit fees.

b. Use of Service and Equipment: Customer will agree to abide by any terms of use for the Rodeo Internet, LLC Service published by Rodeo Internet LLC at <http://www.rodeonetworks.com/aup>. STBs (Set Top Boxes) are available via Powernet. Customers cannot provide their own STB

c. Return of Equipment. Upon termination of service Customer must immediately return to Powernet all Powernet/Rodeo Internet, LLC provided equipment in the same condition as when it was delivered to Customer, ordinary wear and tear excepted and in such condition as to be acceptable to the manufacturer for regular maintenance without any remedial maintenance and any other property or information (including without limitation Confidential Information) obtained by Customer in connection with Customer's dealings with Powernet that Customer does not own. Should the equipment not be returned, or is returned not in working order the Customer will be charged the then current replacement value of the STB.

d. Customer shall: (i) at its own expense, keep the CPE free and clear of any claims, liens, and encumbrances of any kind; (ii) make no alterations or affix any additions or attachments to the CPE, except as approved by Powernet in writing; (iii) not remove, alter or destroy any labels on the CPE and will allow Powernet and Rodeo Internet, LLC unrestricted access to the CPE for purposes of testing, upgrading and other maintenance activities; (iv) take such action as is necessary to protect the CPE including but not limited to, the provision of a secure, air-conditioned space to house, and sufficient electricity to run the CPE, reasonable steps to protect the CPE against theft, abuse or misuse, and reasonable steps to protect the CPE against physical damage; (v) comply with all instructions and requirements of Powernet or manufacturer's manuals regarding the care and use of the CPE; and (vi) assure that the CPE will be operated by competent and duly qualified personnel in compliance with all laws and regulations.

In no event will CPE loss relieve Customer of the obligation to pay Powernet any amounts due under this Agreement.

f. Terminated Customer. Powernet in its sole discretion may refuse to accept a Customer's application for renewal following a termination or suspension of such Customer's use of the Service. If a Customer's Service is terminated for any reason, such Customer, upon approval by Powernet,

may enter into a new Agreement. Upon the termination of a Customer's use of the Service, Powernet has the right to immediately delete all data, files and other information stored in or for the Customer's account without further notice to the Customer.
