

WHAT YOU SHOULD KNOW ABOUT THE NATIONAL DO-NOT-CALL REGISTRY:

The National Do-Not-Call Registry is a free service that gives you a choice about whether to receive telemarketing calls on your home or mobile phone. Most telemarketers should not call your number once it has been on the registry for 31 days. If they do, you can file a complaint at the website listed below. You can register your home or mobile phone by calling the registry's toll-free number (1-888-382-1222) the call must be made from the telephone number you wish to register. Telephone numbers placed on the National Do-Not-Call Registry will remain on it permanently due to the Do-Not-Call Improvement Act of 2007, which became law in February 2008. Under the Act, the Federal Trade Commission (FTC) will continue to remove telephone numbers that have been disconnected and reassigned to other customers. You can delete your telephone numbers from the registry at any time by calling 1-888-382-1222 (TTY 1-866-290-4236) the call must be made from the telephone number you wish to delete.
